

COVID-19 Health and Cleaning Guidelines for Facilities & Boats

OFFICE- CLASSROOMS – KITCHEN – RESTROOMS

- Hand sanitizers placed around the facility and on the docks
- Signs and whiteboards placed around the facility and on the docks to remind students and staff to maintain a 6ft social distancing and to wear cloth face coverings in all public areas and when social distancing is not possible
- Everyday all frequently touched surfaces are disinfected including desk surfaces and door handles
- Everyday all classroom tables and chairs disinfected (and after any use)
- Everyday kitchen surfaces are disinfected. *The refrigerator is not available during this time*
- Everyday restrooms -toilets and sinks, are cleaned and disinfected after use through-out the day
- Everyday all handheld radios are disinfected after each use

BOATS AND EQUIPMENT

- All boats are washed with boat soap and water after each use and allowed to dry.
- All “Commonly” high-touch areas are disinfected
- Students are encouraged to bring their own lifejackets
- School Lifejackets are washed and sanitized after each use
- Dock staff must wear face coverings when other staff and students are present
- Dock staff maintain 6ft social distancing
